

## *Anna Millward* *JCR Estates Officer*

Hello Newnhamites! I'm a second year ASNaC (a very rare breed...) and I would love to be your Estates Officer next year! 😊

The Estates Officer has three roles:

### **1. LIBRARY**

I spent a summer working at Hereford City Library, so know the ropes ☺ I aim to continue Sally's brilliant work, but also look into extending library hours and sort out the computers (infamous for freezing, crashing and generally dying at that \*crucial\* moment) once and for all! I also want to make sure that Newnhamites are aware, and access, all of the wonderful resources available to them.

### **2. VALUABLE POSSESSIONS**

Volunteering as a Room Steward for the National Trust means that I have experience in the heritage sector. As an ASNaC, I have an innate love for anything old, dusty or resembling a manuscript so would love to voice any student concern or ideas for Newnham's valuable possessions.

### **3. GARDENS**

I'm a born and bred farm girl and so far have spent the majority of my life amongst the green stuff...and if Newnham is famous for anything, it's the gardens! I'd like to work closely with the Head Gardener to ensure the gardens continue to thrive, and I'd like to explore the idea of an art exhibition in the gardens.
